

Immigration Medical Exams Newsletter

June 2022 | Volume 7

Important I-693 Form Information

- We are still waiting for USCIS to provide Civil Surgeons with an updated I-693 Form.
- Hepatitis B vaccine is now required for all applicants from birth through 59 years old.
- The requirement for pneumococcal vaccine has been updated for applicants aged 65 and older. Applicants aged 65 years or older who have not previously received a pneumococcal conjugate vaccine or whose previous vaccination history is unknown must receive 1 dose PCV15 or 1 dose PCV20.

Key Highlights

- Accepting **Crypto.com** payments and **Care Credit**
- We are proud of our 4.9-star google review.
- Great customer service and excellence is our mission.
- We accept all ages.
- We offer virtual visits to begin the process.
- We offer same day appointments
